| Runs / Hits / LOB this inning |        |     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                       |                                                                                       |                                                                                       |                                                                                       |                                                                                       |    |   |   |     |    |   |

## Pitching

| Pitcher | IP | H | R | ER | BB | K | Pitches |
|---------|----|---|---|----|----|---|---------|
|         |    |   |   |    |    |   |         |
|         |    |   |   |    |    |   |         |
|         |    |   |   |    |    |   |         |

Proof the card: runs + left on base + outs = total plate appearances.

## Scoring symbols

|                    |                                  |                       |                                           |
|--------------------|----------------------------------|-----------------------|-------------------------------------------|
| <b>1B 2B 3B HR</b> | single, double, triple, home run | <b>F7</b>             | fly out to left field                     |
| <b>BB / IBB</b>    | walk / intentional walk          | <b>6-3</b>            | ground out, short to first                |
| <b>K</b>           | strikeout swinging               | <b>DP / TP</b>        | double play / triple play                 |
| <b>X</b>           | strikeout looking (backwards K)  | <b>SB / CS</b>        | stolen base / caught stealing             |
| <b>HBP</b>         | hit by pitch                     | <b>WP / PB</b>        | wild pitch / passed ball                  |
| <b>E5</b>          | error, by position number        | <b>1 P 2 C 3 1B</b>   | 4 2B 5 3B 6 SS                            |
| <b>FC</b>          | fielder's choice                 | <b>7 LF 8 CF 9 RF</b> | 10 = 4th outfielder (slow-pitch softball) |
| <b>SAC / SF</b>    | sacrifice bunt / sacrifice fly   |                       |                                           |
